- Note:
1. BlueFlash does not sell Drysuits (new or second-hand), repair materials and unfitted components. Divers are welcome to leave used drysuits that are for sale at our workshop for prospective buyers to see and try but the sale of these suits is between the seller and the buyer with BlueFlash not benefiting from any sales.
  2. The distinction between trade and retail rates is strictly applied.
  3. All goods are stored and dispatched at the client's risk. No liability for lost or damaged goods.
  4. During testing and repair, seals and valves may rupture/break – the client accepts this risk.
  5. Seals of various shapes, sizes and thickness are available – Contact Grant for more info.
  5. 2<sup>nd</sup> hand, good condition, boots are available in most sizes – Contact Grant for more info.
  7. Workmanship and components supplied are fully guaranteed.
